# il**mezzo**mancante

INSTABILELAB, per l'anno 2018, sceglie di uscire con nuove texture, nuovi pattern, nuove immagini e nuove idee sempre create dal nostro team grafico.
Oltre a nuove finiture aggiunte alle wallpaper, entrano in collezione materiali innovativi come Acustica e Fibratex disponibile per interni e per esterni.
Abbiamo voluto dare più forza a due progetti che ci rendono particolarmente orgogliosi Art Kitchen e Doorpaper inserendo nuove grafiche.
A nove mesi dall'uscita del volume**due&mezzo**, volevamo finire quello che avevamo iniziato...
... vi presentiamo il**mezzo**mancante.

In the year 2018 INSTABILELAB, releases new textures, new patterns, new pictures and new ideas realized once again by our graphic team.
Besides other new finishes for the "wallpaper" section, innovative materials as Acustica and Fibratex available for indoor and outdoor spaces join the collection.
We wanted to give strength to two projects Art Kitchen and Doorpaper that we are really proud of, introducing new graphics.
Nine months apart from the release of volume**due&mezzo** collection, we wanted to complete what we had started…
… here you are the il**mezzo**mancante collection.
