Tradizione e innovazione, impegno e passione, perseveranza e abnegazione, coordinamento delle funzioni e lavoro di squadra, attenzione nel cogliere le nuove tendenze: tutto questo fa della Friulsedie una realtà competitiva e al passo con i tempi.

Tradition and innovation, commitment and passion, perseverance and dedication, coordination of functions and team work, attention in understanding the new trends: all this makes Friulsedie a competitive reality and in step with the times.

A handwritten signature in white ink, appearing to be 'G. Zan' or similar, written in a cursive style.

L'innovazione è Made in Italy

Innovation is Made in Italy

Inizia nel 1898 la storia di Friulsedie: una crescita attenta, quella portata avanti dalla famiglia Dalmasson, durante la quale è sempre restato saldo il concetto di innovazione nel rispetto della tradizione, all'interno di una filosofia aziendale che esprime l'etica imprenditoriale del vero made in Italy.

The history of Friulsedie starts in 1898. Over the decades the Dalmasson family has steadily expanded the business relying on innovation and tradition and a company philosophy that merges the values of both North and South, expressing the true "made in Italy" business spirit.

Oggi Friulsedie è una realtà produttiva fatta di uno stabilimento moderno, dotato di impianti all'avanguardia con linee di produzione altamente automatizzate, in grado di garantire la realizzazione di 1.000 sedie e 100 tavoli al giorno.

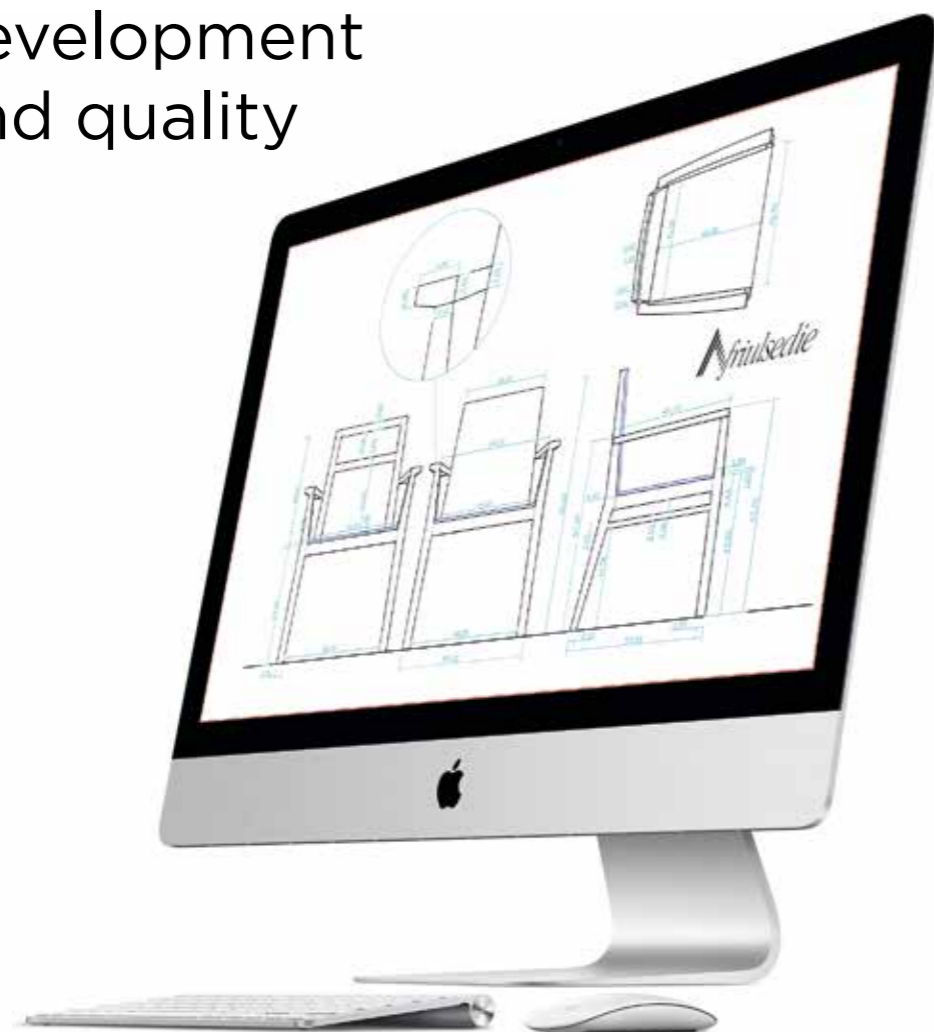

Today Friulsedie has a modern production. Our modern plants and highly automated production lines give us a capacity of 1,000 chairs and 100 tables a day.

Particolare attenzione viene posta, nella fase di ideazione, progettazione e scelta dei materiali all'impatto ambientale del prodotto finale sia nella fase di produzione sia alla fine del ciclo di vita, con il riciclo dei suoi componenti.

Particular attention is focused on the environmental impact of the final product during the phase of conception, design and choice of materials both in the phase of production and at the end of the life cycle, with the recycling of its component.

Ricerca, sviluppo e qualità

—
Research,
development
and quality

Funzionalità e design, sapiente abbinamento di materiali diversi legno/metallo/vetro/plastica/cuoio, complessità progettuale per la massima facilità d'uso: questi sono i principi che orientano ricerca e sviluppo dello Studio Tecnico Friulsedie e la creatività dei designers esterni per le nuove collezioni.

A questo deve corrispondere un'elevata affidabilità e durata nel tempo del prodotto.

Severe prove tecniche, per le quali ci si avvale del CATAS (Centro Assistenza Tecnica per le Aziende di Sedie e Mobili), vengono effettuate sia sui prototipi (prima della messa in produzione), sia sui prodotti finiti al fine di verificare la validità dei criteri costruttivi, l'assenza di criticità strutturali e assicurare la qualità finale.

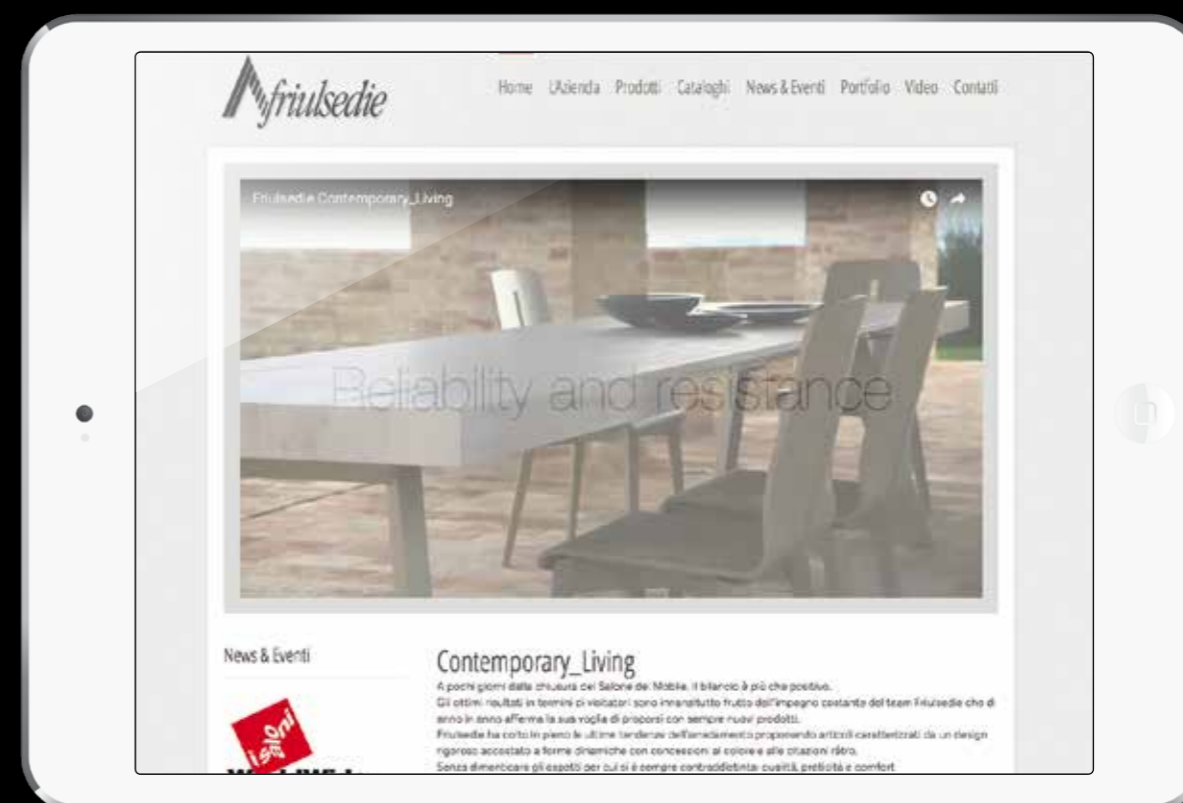

Function and design, a wise combination of different materials such as wood/metal/glass/plastic/leather, a complex planning for the maximum ease of use: these are the principles that guide the research and development of the Technical Office of Friulsedie and the creativity of the external designers for the new collections.

A high reliability and product durability must correspond to this policy.

Strict technical tests, with reference to CATAS (Centre of Technical Assistance for Companies of Chairs and Furniture) are carried out both on prototypes (before put in production) and on finished products in order to verify the validity of the construction criteria, the absence of structural criticality and to ensure final quality.

Apertura telescopica

MONOSTADIO (140 plus, 160 double, 180 top) telaio in acciaio dotato di n.6/8 cuscinetti in teflon autolubrificanti su 4 binari di scorrimento.

DOPPIOSTADIO (140 super, 160 ultra) telaio in acciaio/alluminio dotato di n. 24 cuscinetti in teflon autolubrificanti su 6 binari di scorrimento.

Il telaio telescopico si allunga consentendo l'inserimento manuale e progressivo di allunghe ad incastro. Le allunghe sono alloggiare in uno scomparto interno.

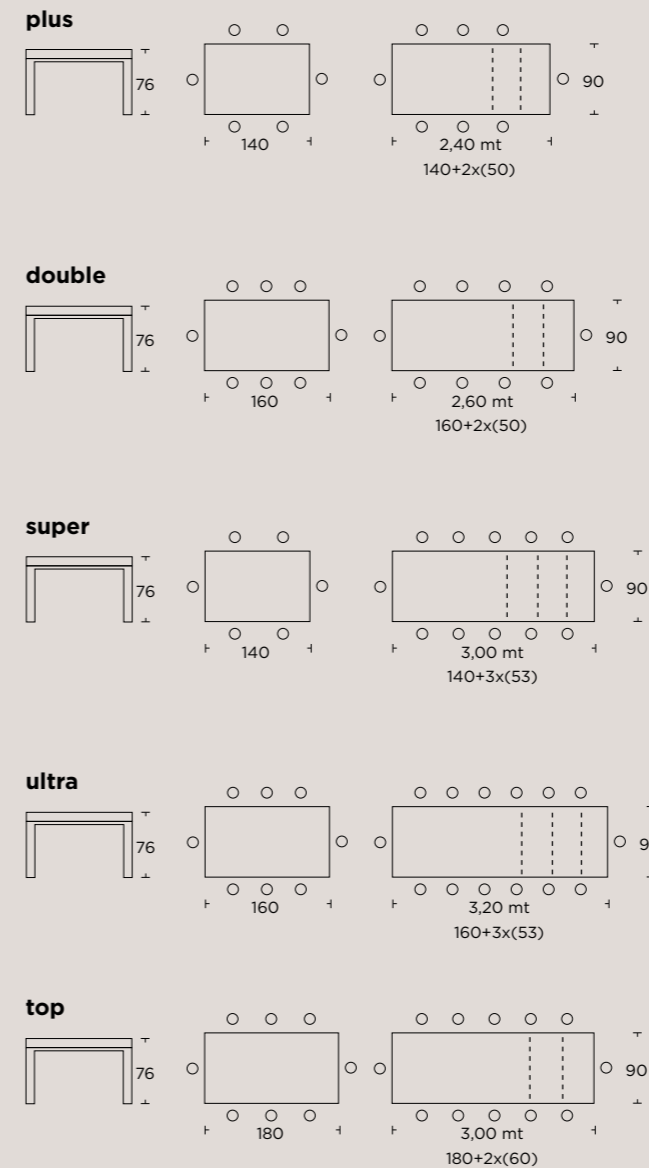

Telescopic opening

SINGLE STAGE (140 plus, 160 double, 180 top) steel structure equipped with 6/8 self-lubricating teflon bearings on 4 sliding tracks.

DOUBLE STAGE (140 super, 160 ultra) steel/aluminium structure equipped with 24 self-lubricating teflon bearings on 6 sliding tracks.

The telescopic structure can be extended permitting the manual and progressive insertion of interlocking extensions. The extensions are placed in an internal compartment.

Misure Infinity / Infinity dimensions

Tavoli Infinity: materia in primo piano / Infinity tables: focus on materials

**Vetro e vetro Antigraffio / Glass and antiscratch glass**

Realizzato con processo di tempera per garantire la massima durezza unita a bellezza e solidità. Il tavolo con piano in vetro riesce a conferire stile ed eleganza ad ogni ambiente.

Realised with tempering process to guarantee the maximum hardness together with beauty and solidity. The table with the top in glass confers style and elegance in every environment.

**Legno / Wood**

Con la sua naturalezza e semplicità dona calore all'ambiente e rende speciale ogni abitazione.

With its naturalness and simplicity it gives warmth to the environment and makes every home special.

**Vetroceramica Keramic / Ceramic glass-ceramic**

Un piano innovativo, caratterizzato dalla sua eccezionale resistenza agli sbalzi termici e ai prodotti chimici, ai graffi e abrasioni profonde. Si adatta a tutti gli ambienti domestici.

A new top characterised by its exceptional resistance to thermal shock and to chemical products, to scratches and deep abrasions. It fits in all domestic environments.

**Laminato e melaminico materico / Laminate and melamine materials**

Riproducono alla perfezione materiali naturali come la pietra o il legno e diventano piani di lavoro pratici e resistenti.

They reproduce to perfection natural materials like stone or wood and become practical and resistant worktops.

KERAMIC
VETROCERAMICA

VETROCERAMICA

Keramic è un piano in vetro accoppiato a una lastra di porcellana laminata ottenuta da un'avanzata tecnologia di lavorazione, compattando e sintetizzando a 1200° materie prime argillose, rocce granitiche e pigmenti ceramici.

Resiste ai graffi e all'abrasione profonda, si adatta a tutte le condizioni climatiche e rimane inalterato al gelo, al fuoco e alle alte temperature.

È un prodotto totalmente naturale, Eco-compatibile, può essere facilmente macinato e interamente riciclato in altri processi produttivi.

GLASS CERAMIC

Keramic is a glass flat surface matched to a porcelain sheet and made through an advanced manufacturing technology, compacting and synthesizing clayey raw materials, granite rocks and ceramic pigments at 1200°. Glass-ceramics can resist to scratches and deep abrasions, it adapts to all weather conditions and remains unaltered to frost, fire and high temperatures.

Glass-ceramics is a fully natural products, it is Eco-friendly, can be easily milled and recycled for other manufacturing processes.

Sistema multiprolunghie (8 gambe)

Il telaio si allunga con lo sdoppiamento delle gambe da entrambi i lati (diventano 8) e lo scorrimento di guide telescopiche in acciaio consentendo l'inserimento manuale e progressivo di allunghe. Il tavolo non prevede alloggiamento interno per le prolunghie.

Multiextendable system (8 legs)

When the structure is extended the legs split into two on both sides (becoming 8) and the sliding telescopic steel tracks permit the manual and progressive insertion of the extensions. The table does not provide for any internal housing for the extensions.

_Chair Smart S124, ash frame, plywood or regenerated leather seat.

Larix S135

_Sedia Larix S135, struttura frassino, seduta legno o cuoio rig.

_Chair Larix S135, ash frame, plywood or regenerated leather seat.

Rossy S385

_Sedia Rossy S385, struttura frassino, seduta legno, cuoio rig., ecopelle o tessuto.

_Chair Rossy S385, ash frame, plywood, regenerated leather, leatherette or fabric seat.

Nikka S354

_Sedia Nikka S354, struttura faggio, seduta legno, cuoio rig., ecopelle o tessuto.

_Chair Nikka S354, beechwood frame, plywood, regenerated leather, leatherette or fabric seat.

Kanter S123

_Sedia Kanter S123, struttura frassino, seduta legno o cuoio rig.

_Chair Kanter S123, ash frame, plywood or regenerated leather seat.

Margot S706

_Sedia Margot S706, struttura faggio, seduta ecopelle, lana o tessuto.

_Chair Margot S706, beechwood frame, leatherette, wool or fabric seat.

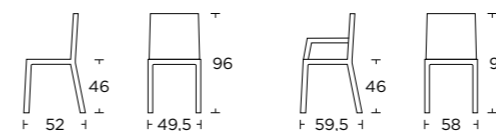

Queen S700-S700B

_Sedia Queen S700, struttura faggio, seduta ecopelle, lana o tessuto.

_Poltrona Queen S700B, struttura faggio, seduta ecopelle, lana o tessuto.

_Chair Queen S700, beechwood frame, leatherette, wool or fabric seat.

_Armchair Queen S700B, beechwood frame, leatherette, wool or fabric seat.

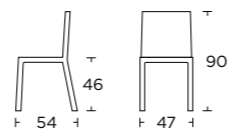

S700

S700B

Musa S390

_Sedia Musa S390, polycarbonato.
_Chair Musa S390, polycarbonate.

Fast S389

_Sedia Fast 389, struttura polipropilene, schienale policarbonato.
 _Chair Fast S389, polypropylene frame, polycarbonate back.

Onde S136

_Sedia Onde S136, policarbonato.
_Chair Onde S136, polycarbonate.

Diamante S134

_Sedia Diamante S134, policarbonato.
 _Chair Diamante S134, polycarbonate.

Dune S399

_Sedia Dune S399, gambe cromate, policarbonato.

_Chair Dune S399, chrome legs, polycarbonate.

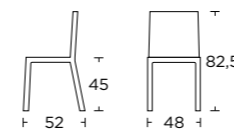

Piper S398

_Sedia Piper S398, gambe cromate, policarbonato.

_Chair Piper S398, chrome legs, polycarbonate.

Jordan S397

Sedia Jordan S397, policarbonato.
 _Chair Jordan S397, polycarbonate.

Jordan S397

_Sedia Jordan S397, polipropilene lucido.
 _Chair Jordan S397, glossy polypropylene.

Jo S397 op

__Sedia Jo S397op, polipropilene opaco.
 __Chair Jo S397op, opaque polypropylene.

Mira S106

_Sedia Mira S106, polipropilene opaco.
 _Chair Mira S106, opaque polypropylene.

Zen S388

_Sedia Zen S388, polipropilene opaco.
 _Chair Zen S388, opaque polypropylene.

Iris S107

_Sedia Iris S107, polipropilene opaco.
 _Chair Iris S107, opaque polypropylene.

Zoe S137

_Sedia Zoe S137, polipropilene opaco.
 _Chair Zoe S137, opaque polypropylene.

Slim S146

**_Sedia Slim S146, gambe cromate,
seduta polipropilene.**

_Carrello portasedie Slim Trolley S147.

_Chair Slim S146, chrome legs,
polypropylene seat.

_Slim Trolley S147.
